“ I have never met anyone whose spirits were not uplifted simply from being in her presence. She was a beautiful woman, wife, mother, grandmother and friend to those of us who knew her as she strived to follow the Lord. My heart goes out to Bob, Jenn and Melanie with my deepest sympathies for this tremendous loss.

“ Bob and girls - I am so sorry to hear of Marilyn's passing. We were good friends throughout elementary, middle and high school. We lost touch after graduation but she was always on my mind and in my heart. My fondest memories were of going to her home for lunch during our elementary school days. Your mother was kind and loving to all who knew her. She touched many many lives. My prayers of condolences are sent to you.

“ Marilyn and I worked together for 18 months but I feel like we were friends forever. Marilyn was a dedicated employee and loyal friend. It took us no time to discover we shared the same faith in Jesus. It was that faith that connected us as more than co workers. She and Bob prayed for my struggling teenage son and I prayed for her family and the struggles of life. She adored Bob, her girls and her grandchildren. She had a servants heart and did the right thing because it was the right thing. She could be a tad bit fiesty and was very protective of me if she thought something wasn't fair. I was able to work in a difficult environment because of her support and dedication and for that I will be forever grateful. I will miss you dear friend!

“ *So very blessed to have worked side by side with Marilyn for the past 7 months. I could count on her humor when needing to lighten the burdens of a work day. Additionally, she treated every employee with compassion as if they were a family member or close friend. We feel her loss every single day at Columbus. Thoughts and prayers to Bob, daughters and family. Kim Mack*
