“ Mark. We basically grew up together, even though we were in our late twenties when I married Christine. Watched each others children grow and play together. We even had some disagreements, and had some knock down, drag out boxing matches, but we laughed the next day and respected each other. I have some great memories of us, and your family. Damn. Way too soon my friend. I'm gonna miss ya at future Christmas parties at Greg and Sue's. See ya on the other side buddy.
