Mary Ann also placed great value on serving others, her work and a job well done. She took pride in keeping her home and raising her family, and enjoyed a neat home inside and out.

Mary Ann enjoyed entertaining and inviting company over for dinner. She had been an excellent cook, who would often cook 8 or 9 course meals. Mary Ann enjoyed flowers and playing cards, and was a member of several card clubs.

It was said that Mary Ann could be "feisty," in that she was a little bit of a spark plug for things that were important to her or that she was passionate about.

“*MaryAnn gave me a loaf of bread to welcome me to St. Vincent Church. Soon after, I joined the choir and sat next to her for 25+ years! We would help each other out with the alto parts, and became choir buddies. She called me almost every time I missed rehearsal or the Sunday church services too many times in a row. I always knew she missed me when I wasn't there. And now I miss her. I hate that I didn't get to see her this last year of her life because of this pandemic. I called her once while she was at Manatawny Manor. Then before I called again, I found out she was gone. She passed away on my birthday. Rest and sing in the Lord's arms, MaryAnn. I love you.
Deepest Sympathy to the family.*”

So sorry to hear this. Mary Ann was very special to my mother, Jeanne (Detwiler) Gottshall and our family. Growing up our families would get together to play cards and just spend valuable time together. Our thoughts and prayers are with the family. She will be missed.

*Mary Ann Springer will be remembered by the Sanatoga Grange #25 as a dedicated grange member for seventy (70) years. Mary Ann faithfully served as the secretary for the organization for many years, and in addition prepared and provided lunches for the grange on a monthly basis that served 20-25 members and guests. It is to our sorrow that the Sanatoga Grange was unable to celebrate her seventy years of service and present her with the Letter of Recognition and Commendation Award from the Pennsylvania State Grange in 2020 due to the Co-Vid Pandemic. Mary Ann Springer was a "Force of Nature" and will be greatly missed. Carolyn and Charles Nippert

I gave Barry her youngest trumpet lessons give or take after school. Which to my advantage happened to be close to dinner time. She would never hesitate to give me a container to take home. The one item I enjoyed immensely was her ham and bean soup. Mrs. Springer was always a joy to talk to.
