“ Remembering the wonderful times together with my dear Aunt Mary, who always had a kind word for me and a sweet hug. I remember her checking on all of us kids when we used to play in the basement/playroom at the house during the fun, family parties! She would come down and offer soda or some kind of snacks while we watched Walt Disney. So kind and understanding, with a joyful laugh and great comebacks, she was so much fun, and a great part of my childhood memories. We loved coming!
