“ Dear Suzanne,

It was with sadness that I read about the passing of your mother. Though it has been many years since seeing and talking with her I remember her well as one nice lady.

(an aside ... your father and brother, Ben, are also remembered well).

Please accept my condolences and extend them to your sisters and brothers.

Know that your mother, you and your family are remembered in my prayers.

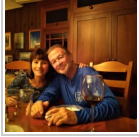

A voice out of your past ... Dan Fritsch (630 W. Vine St. and Lancaster Catholic High School)

“ Our beautiful aunt dib was such a wonderful part of our lives both here in Florida and throughout my life growing up. I had many fun times at her house with my family of cousins. I became #7. Here in Florida, we spent countless hours over roast beef dinners in Boynton with her and uncle Ben. They were always supportive of us during my mother's illness and became our new parents. They were our best man and matron of honor when we remarried in the church. Our memories will live on, and we will miss her forever. We are heartbroken that we cannot be with our family to celebrate her amazing life, but we are with you in spirit. Love, John and Anita
