“ *It was my great pleasure and honor to know Mary both through work at Wawa, and on a personal level as a dear friend. She was kind, caring, and giving, but what I loved the most was her sense of humor. She never failed to make me laugh. I will always remember the fun we had during work and the times we were together outside of work. I will miss her dearly. Sending hugs of comfort and wishes for peace to her family and friends. ❤️💔❤️*
