“ Mary was my supervisor at Jones Motor before I moved to TX. When I found out that Mary was going to be my supervisor I was a little nervous, but those reservations were soon put to rest. She was always fair, caring and would do anything for you. She had a heart of gold. Even when I moved she kept in touch through e-mails and cards. I am so glad that I got to know her and work with her, she was truly a special person and will be missed greatly.
