“ It seems so unfair that death should have the power to take away someone you love. And when it happens, the thought of never again being able to talk to, laugh with, or hold your loved one can be most difficult to bear. That pain is not necessarily erased by being told that your loved one is up in heaven. The Bible, however, holds out a much different hope. As we have previously noted, the Scriptures indicate that it is possible to be reunited with your dead loved one in the near future, not in an unknown heaven but right here on earth under peaceful, righteous conditions. And at that time humans will have the prospect of enjoying perfect health, and they will never have to die again.

“ My deepest and heartfelt sympathies in the loss of your dear Mother. It is especially hard to cope with the loss of one who always shows you unconditional love. May you find comfort and solace in the One whose love we imitate because He first loved us. Jehovah God has promised us that; "The righteous themselves will possess the earth, and they will reside forever upon it."-Psalm 37:29 proving that we will indeed be with our loved ones again right here on a restored paradise earth! I have found the scripture at John 5:28 & 29 to be most comforting to me. I hope you will find that to be true for you as well. ! May we do all that we can to be there to greet our loved ones upon their return. The Bible tells us how. I encourage you to investigate Jehovah God's true promises for us all.
