“*I would like to express my heartfelt sympathy to MArY Little's family. Both of my children had Mary as a teacher for CCP at Barkley School and I have to say that she was the BEST teacher my kids have ever had! She loved them like a mother hen, so kind and loving! I work at the hospital and would enjoy seeing Mary on various occasions. She always remembered me and would always ask about the children even though they are 33 and 30 now. Your Mom was a very special lady and made a big impact on lots of lives. I know my children were one of the lucky ones. She will be missed.*

“*I served on some committees at F.U.M. Church with Mary, who I admired for her forthright opinions on matters. She was compassionate, objective, and a real joy with which to be associated. I, too, will miss her, as will be church in general.*
