“ *To the Luca Family: We are truly sorry for the loss of dear Mary Ann. We have fond memories of trips to Philly, New York and just casual dinners together with the girls. So sorry we have been out of touch for a few years. Mary Ann was a kind soul and has been taken too soon. May she rest in peace. Lisa, and Christina, may you find peace and comfort in the days ahead keeping in mind all the happy times and feeling the love that Mom had for you always.*

“ I have so many good memories of Aunt MaryAnn from my childhood. She was the coolest person in the world to me. She let us stay up late, took us to the movies, drove a hot red car, and always had a candy dish full of m&m's. When I close my eyes and picture her, I can still see her smile. She had a way of making me feel so special. My kids loved her too. Savannah always asked to see her when we'd come over to visit nana. Even when she had a headache, she'd take the time to walk to the playground with us. She and my Chase had a special bond. He could do no wrong with her. I am so sad and so sorry she never got to meet my littlest one, Ted. I think she would have loved on him like crazy too. She was taken from us too soon, and I will miss her very much.

“ Aunt Mary Ann, you're gone too soon. We love you and we miss you. So many memories. A random thought: you had a jar full of M&Ms in your apartment when I stayed overnight as a young boy. So unbelievably cool! You knew how to have a fun time and were so generous when I was young. You doted over your girls and I remember lots of laughs when you, Christina, Lisa and I were together.

Watch over your girls. All the Lucas are in our hearts and prayers. We love you. Rudy, Carolyn, Liam & Abby.

“ Mary Ann was a good neighbor. I had some good conversations with her. She knocked on our door a few times to give us some of her home made biscuits! Um Um Good! She loved the dogs! When Mary Ann was outside, she would always have a bag with her. Inside the bags were treats for the dogs. She had large treats for the bigger dogs, and small treats for the smaller dogs. My dog loved her! All of the dogs loved her! She had them all spoiled. She truly was a kind person and we will miss her very much.

She was my sister and I loved her very much. The best times were when we teased each other and laughed so hard. She never let me forget when a saleslady asked if I was her mother. I was 12 yrs. older not 25 yrs. She loved it. I will miss those times.

*Love,
Gloria*
