“ *My deepest and heartfelt sympathies in the loss of your dear mother, grandmother, and great-grandmother! I am sure that you are so thankful to have had her in your life for such a long time. We all want our loved ones to live forever for that is the way we were made...to live forever. –Ecclesiastes 3:11. It is especially hard to cope with the loss of one who always shows you unconditional love. May you find comfort and solace in the One whose love we imitate because He first loved us. Jehovah God has promised us that if we turn to Him in prayer, He will strengthen and sustain us-Psalm 55:22. The Bible also says; "The righteous themselves will possess the earth, and they will reside forever upon it."-Psalm 37:29 proving that we will indeed be with our loved ones again right here on a restored paradise earth! I have found the scripture at John 5:28 & 29 to be most comforting to me. I hope you will find that to be true for you as well. Sorrowfully and respectfully submitted, Denise Brown Neiceybrown-mail@yahoo.com*

“ I am so glad you shared this with me, Karen. That is a lovely picture showing her at several ages. What a nice idea. And the music with it is so nice, too. I have not been able to get a sympathy card yet, but hope to get out to the store this week. Love you so much and know you will miss her! Love, Nancy

“ So sorry for your loss. Ryan has told me so many wonderful stories about his grandmother. I feel honored to have had the chance to meet her. I will always remember that moment we sat and laughed together talking about wedding planning and such. Her smile was contagious and she warmed my heart with it. RIP beautiful lady. Enjoy the wonderful kingdom of god. So many people love you and you will remain in thier hearts forever.

“ Please accept my sympathies on the loss of your mother. I have fond memories of growing up next to the Mogel family and Mrs. Mogel was a large part of that. I will always remember sitting around your large kitchen table for meals and those metal glasses which always were very cold. AND those shoo fly pies!!! Love to all, Mary Ann
