

Mary A. Saltzer

June 21, 1941 - March 28, 2019

Mary A. (Reinert) Saltzer, age 77, of Pottstown, Pennsylvania, passed away on Thursday, March 28, 2019 at her home. Born on June 21, 1941 in Reading, Pennsylvania, she was a daughter of the late James and Martha (Kleinbach) Reinert, and the significant other of Jim Knickerly.

Mary was a very simple woman who enjoyed the life that she had made for herself. She adored her family and dedicated her time to raising her ten loving children. In her spare time, she would often attend church dinners with her close friends and acquaintances, and loved to go dancing, loved to play the slots at the casinos, and would shop whenever she had the opportunity. Mary also loved to travel, and especially loved going to the beach with her children and grandchildren. She was a loving mother, grandmother, great-grandmother and dear friend, and she will be missed by many.

Mary is survived by her ten loving children, Sherry Mourar, Trina DiVeterano, Wendy Saltzer, Kevin Saltzer, Rodney Saltzer, Michelle Saltzer, Mindy Saltzer, Shannon Saltzer, Shaun Saltzer, and Brandon Saltzer. She is also survived by her eighteen grandchildren, seven great-grandchildren, and her ex-husband Gerald Saltzer.

In addition to her parents, Mary was preceded in death by her brother William James Reinert.

Relatives and friends are invited to attend the viewing for Mary on Tuesday April 2, 2019 from 9:30AM - 11:00AM at the Cattermole - Klotzbach Funeral Home, 600 Washington Street, Royersford, Pennsylvania. “ Thinking about you Grandmom. I love you and miss you so much. Thanks for playing a major part in my life. Thanks for standing by me whenever things got rough. You meant so much to me. More than words can ever describe. You truly will be missed. We had the best of times together whenever I seen you. I always couldn't wait to see you. I wish we had more time to create more memories. But I will always cherish the ones that I have with you. You were taken way too soon and too fast. It's never goodbye its always see you later.

“ *Although I only met Mary a few years ago I will always remember the warmth she showed everyone she met. I lived with her daughter and she always was with one of her family . She lived her family dearly and those who were not family . My prayers go to all of her family in this time . I will always fondly remember her . A truly remarkable woman and a great example of a fantastic living mom. A special thought to Brandy, Trina , Christie and Jennifer my heart breaks for your loss. ❤️*

“ Growing up Grandmom had kids around my age... so she became "Grandmom with the kids". That was what I still referred to her as 33 years later. When I picture her, she is listening to Kenny Rodgers while eating some sticky buns and drinking her big gulp!! She loved pastries! She loved walking and never wanted to sit around. She was never one to complain about herself or her situation. She didn't have much but somehow still managed to give to others. She loved thrift shopping and picking up random things for my kids. That is what made her happy. She was very selfless. She raised 10 kids the best she could with what she had. Sadly, the last few years she was really starting to do things for herself and enjoy life more which makes her sudden passing so much more tragic. I will miss her dearly! I hope she is able to relax and enjoy life wherever she is at right now! She lost her mom, dad and brother at a very young age... I hope they are all reunited and catching up on life. :) Grandmom, you will always be in my heart! I will always love you very much!!!! I will keep your memory alive for my children. Rest in peace Grandmom ❤️❤️❤️❤️

“ I'll never forget how giving and loving my grandmother was. Even though she had rough patches in her life, she still managed to survive through them. Even if it took some assistance for her to do so. I believe she's in a better place now and eventually I'll see her again. It does not make me miss her any less though. She'll never be forgotten.

“ *Some of my favorite memories of my grandmom are when she would take walks with my younger cousin, Mason Saltzer, and I in the summer when we were little. It wasn't anything extravagant, just a little walk to Walmart or sometimes just around the block, but we were always so excited to go with her. Once she even took Mason, Amber, Jade, and I to the Coventry Mall and we had to navigate the public bus system. It was all fun and games until a summer thunderstorm rolled through and got us drenched, but not once did I hear grandmom complain. She loved to go on walks no matter the weather or how far, it's something I will always admire about her because rain, sleet, or snow, she was going to the store if that's what she felt like doing. I know she's walking on a beach somewhere as I write this and I know we will walk side by side again someday. Love you always + forever, grandmom.*

“ I will miss Mary so much. She was so kind and loving to everyone she met . She would do all she could for her children and grandchildren and greatgrandchildren .Even if she went without . I will miss my talks and hugs with her . If I didnt see her for a while we would love getting caught back up on what we both where doing. The last time I saw her was her beautiful granddaughters brandy's wedding and she looked so beautiful and she was so happy we had a good time together dancing to our favorite songs . Trina her daughter is one of my best and closest friends and I have known them for a long time and i am going to miss her dearly . But i know that she loved God and she is in heaven and she is with her relatives that went before her and she will be dancing all the time with them. I wish I could take her children's and grandchildren and others pain away because I know this wont be easy but, just remember how much she loved you all and that she is smiling down on you now with all her love and would want you to be happy for her. Rest in peace Mary !! Until we meet again. Love Marlene DeHavenq
