“ To The Family, It is hard to lose one so dear to us. It seems like the time we had with them is very short. Imagine having them with us for eternity without sickness, pain or death! (Rev 21:3-4) Is not that a wonderful thought? The original purpose for mankind was to live forever in a paradise earth free from these things. Adam and Eve were placed in this paradise after Jehovah God created them. (Gen 2:7-23) It was never Jehovah's desire for us to die. He will shortly execute this plan and remove all wickedness from the earth. Thus returning it to the paradise conditions it was created for. Once that has been accomplished we will again see our dear loved ones and have the pleasure of spending an eternity with them on this earth. (Ps 37:10-11) Please keep those precious memories in your heart and mind of your loved one. Jesus Christ gave us the model prayer to ask for Jehovah's blessing. (Matt 6:9-13) He is making all things new! (Rev 21:5) My prayers all with you all! C. Smith

“ I saw Mrs. Wince once a month when she came in to Continental Realty to pay her rent. She always had a smile on her face. Her visit was always quick because she had other places to go. I was very upset when I heard she had passed away. I know she will be missed. She left an impression on me, I knew that she was a good woman just by her actions. Again accept my condolences on your loss.

“ My heartfelt condolences to Mary Ann's family. I got to know Mary Ann through my association with Louise Conway and enjoyed many fun times with her: the annual garden tour, christmas tour, and a cruise on the American Queen and a tour called Trains and Canyons of the West. She was a very fun loving person, who always made us laugh. We had to put our names on the window next to our seat on a card on one trip. Mary Ann labeled hers "trouble." The funny part was she was no trouble at all just a genuinely kind person. I respected from the beginning but even more when I saw how much love and care she gave her friend Louise during her illness and afterwards taking care of the estate. She was a gem! I will miss her. I am heartbroken to loose someone who brought so much joy to all of us! My sympathy to the family,

“ Mark and family; It was of great sadness when I read of Mary Ann's demise. I first became acquainted with her at Valley Forge Medical Center and Hospital and was impressed with her commitment to the care of patients. Often I would see her as I walked past her residence and would stop and chat for a short chat, we would wave as she passed by in her SUV. I will miss miss her presence.

“ To the Family of Mary Ann, I have come to know her and to love her over the last couple years since she has been coming to the office. She had become more than a client to me. One day she took me out for lunch at Hennings for as she put it "dealing with her so much". I will certainly miss her calling me and stopping in. She was a special lady who loved helping people especially her dear friend Louise. Now they are together again. Mary Jane Chavez

“ I am so sorry for your loss. Mary Ann was such a lovely lady and of course many of us just called her "wince". She was my mentor and leader at VFMC. Although I have not seen her in several months due to my being in Florida...she and others shared their first of the month luncheon. How great its been. All loved her. May she Rest In Peace . She is now with our LORD JESUS CHRIST. GOD BLESS YOU ALL.....WITH YOUR LOSS!

“ So sorry to hear of your Mom's passing. She was a special person. I can remember once riding in the convertable hollering and calling her calling her crazy lady. She had a heart of gold and the spirit of an angel. All though we become seperated by miles my fond memories have not. Inge and I send our Love and prayers and share in your grief.
