“ I am so saddened to have just learned (6/24/11) of Maureen's passing. She was a member of my wedding party in 1963. We had reconnected a few years ago, then lost touch again. My prayers, although late, are with Maureen's family.

“ Dear Deane Family, I would like to express my sincere condolences on the death of your Mother, Maureen, You would know me, but I was a school friend of your Mother. Our families have been connected for generations. My Father was married to May Conwell Faddis, who was your grandmother's sister. She was my father's first wife and died in childbirth, along with their baby daughter, Kathleen. I shared a lot with your mother in a crowd of kids. She was lovely and beautiful and so kind. I knew your grandparents well and visited their house often. The last time I saw your Mother in 1992. She was kind enough to attend my Father's funeral at St. Ann's. I wish I lived near enough to have attended the funeral and that I could have expressed my sympathy in person. This technology is just great in that I could get my wishes to you in an easy-to-do manner. I appreciated seeing the video tribute; May you find comfort in your memories.. Yours, Harry Faddis [www.harryfaddis.com](http://www.harryfaddis.com)

“ Dear Erin, Colleen & Jeff, Maryanne & Jamie, and dear Grandchildren, My heart is heavy as I write about your mother and grandmother who was a loyal and devoted friend of so many of us. Since our friendship goes way back to the beginning of "our crowd," so many great memories include Maureen. We girls and guys talked, walked all over Phoenixville, laughed, and danced through our teenage years. Of course, most of that was put away as we all "matured" (At least I THINK we did!) I remember the fun we all had as we "hung out" at the Gateway and St. Ann's CYO dances. Those years were delightful and I still recall that Maureen was a great dancer. My becoming a Sister in a teaching order brought me to many places that were not too close to Phoenixville (as is the case right now), so my opportunities to see all my old friends became less and less. So it was always fun when the chance came to see one or more! One such opportunity occurred in this past August when several of us went out to lunch--and we knew Maureen would be able to come. I treasure that time since it is the last time that I saw her and she was feeling well, with a very bright attitude, and confident that she had made a good decision. We all talked and laughed and enjoyed each other once again. I regret that I have not seen her since then, but I will keep the memory of that day in my heart. Maureen was a good faith-filled person, and so I know that she is with God--and with your father, grandparents, friends and family once again. Remember that she now experiences the JOY of Resurrection, just as Jesus promised. I will pray for each of you that you may know that God is with you in your sorrow and I pray that He will give you His gift of Peace. God's blessings on each of you. Love and prayers, Eileen P.S. I am so happy to see more recent pictures of the "Keane Kids" since the last I have you all were under the age of seven.

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all.
