“ Mrs. Osiol, Terri, Patty, Suzanne, and Mike, I offer my most sincere condolences. One of my happiest memories of Maureen is the great time we had at her senior prom back in 1980. She was a beautiful, gentle person. I treasure the many years that I knew Maureen and the rest of the Osiol ohana. May God comfort you all during this difficult time.

Take care.

“ Maureen was the sweetest, most gentle and friendly woman you could ever hope to meet in your lifetime. I will always remember her love and kindness and how it extended to everyone she met. I will remember her big, beautiful smile. She was so kind to me. She is now a very special angel in Heaven. My prayers and thoughts go out to her family.

“ Maureen was one of my passengers on the van to Creative Health Services. She was one of the kindest and sweetest people that I met on this job. She always had a big smile and a warm greeting for me, no matter how she was feeling that day. I will miss her, and my prayers go out to all of her family and friends. - Mark Drenning

“ Always a delight. Maureen was warm and friendly. Her first words when ever she met me was, "What can I pray about for you?" She will be missed.

“ I was blessed to have Maureen as part of my journey through life. She taught me about true faith and walked the walk of a true Christian. My memories of her are plentiful and all of brightness and hope. We would meet once a week and Maureen would make sure I did not pull out of the driveway before we said a prayer. We had 3 summers to dig our hands in the earth and keep her garden growing, always in memory of her dear Father Joe. I would weed the garden and Maureen would talk to her neighbor over the fence. It made me laugh just to see her shine as she spoke the word of God and was happy to be blessed to help her remember her father in this special way. My dear Miss Maureen, you will always be a part of my heart and memories. Your legacy spans greater then you know as you were loved by so many. Selfishly, I wish you were here to continue our journey together. But God has chosen you to come home as he needs special angels above to help us here on earth. Until we meet again, and we will.....be free my angel and soar high above the blue skies above.

With loving memories.....

*What a lovely verse of scripture! "The tent of God will be with mankind  
and He will wipe out every tear, and death will be no more, neither will  
mourning, nor outcry, nor pain be anymore. The former things have  
passed away!"*
