“ Maurice and Edith have been friends to me and my family shortly after I moved to East Coventry 14 years ago. I was driving home from work one day and saw Maurice when he was walking on School House Road and I stopped to talk with him. I paid him a visit the next day at his home and we have been friends ever since. They were always so grateful when I walked over, after they called me, to give them a hand with replacing a light switch, getting the rototiller started, trimming branches from a tree or with anything they needed help with. Most of the time I just stopped over to chat with them for an hour or so. We always had fun sharing stories about our life experiences. Edith and my wife Connie exchanged puzzles which was one of Edith's favorite pastimes. They were such friendly people and it was always a joy to be with them. I purchased Edith's Ford Granada and I will take care of it the same way she always cared for it. We miss them greatly. Pete, Connie and Erik.

“ We are so saddened to read of Morris' passing. He and Edith were neighbors of ours briefly. They lived in the other half of the twin we owned in Pottstown before buying their home on Keim Street. They were so sweet, always bringing little gifts over for our daughter. We continued to stay in touch after they moved away through Christmas cards and occasionally running into them at Home Depot! Our thoughts and prayers go out to his many nieces and nephews that they remember their fond memories of Morris as we are doing today.
