“ Megan, I remember coming to work and seeing that I was pulled to North 4 and looking forward to the shift because I had a caring nurse that I would be working with. You were a pleasure to work with. Your smile was always bright. May God be with you in your final resting place. Condolences to the family. You all will be in my prayers.

“ Dearest Connie and Family, Our deepest sympathy for the inexpressible loss of your precious Megan. I had the privelege and honor to work side by side with Megan for a brief time. She was nothing short of compassionate to those entrusted in her care. She always spoke lovingly of her family, especially her dear children. I pray that you will find the Hope to continue on, knowing our Lord's compassions never fail. Although our current life withers so quick, the God we worship is eternal, as He has shared that gift of eternity through His Son. May He lead you to the quiet waters and refresh your soul. (Ps 23). Keeping you in prayer. Rick & Sylvia Ehling
