“ *The legacy of a man is what he leaves behind him. Melvin left two sons who are as polite and gentlemanly as he was. He left men made in his image and that was a wonderful image. He was a kind, loving and patient man who was a wise leader. The world needs more men like Melvin - when God asks him what he did with the talents he was given in life he can truly say, "Lord, I increased those talents by helping others and I left two sons just like me to continue your work."*

The Lord make his light to shine upon you and give you peace.
