“ My heart is heavy for you all. I know we didn't get together and share much. This I'll always regret. Once Aunt Rose and Nanny passed we never got back to see anyone and now you all went through what we are going through with Mom. I wish we all were closer. Know that you all are loved and I'm so very sorry for your loss. I'm so sorry that we never got to really know him. But I think we would have gotten on well as we like the same things and I went to auto mechanics like cars. I think I was the last one at the votech with popop Ray as a teacher there. I hope maybe we can all get together sometime soon. I would like to not regret anymore. Love you all and very sorry for your loss.
