“ Dear Mrs. Ciano and Family,
We were so sorry to hear of the passing of Mr. Ciano. We have great memories of him and know he was a great husband to you, great Dad to his sons and a great man to his family. I very much appreciated his company - always engaging, keen witted, very charming and personable - a pleasure to be around. I have fond memories of your good cooking and the many dinners I enjoyed with you both, as a college student and after graduation. I am sure he will be missed, but the great memories of him will always remain. God Bless You and the Clano family. Our condolences, thoughts and prayers are with you. Love, Joseph DeBenedetto and Family.

“ To Carol & family. So so sad to hear about your loss.

I met & worked with Mike when he came across to the UK in the mid 90's. He was such a warm, welcoming and funny guy. He also really looked after me when I came across to the USA and we hung out together. Despite years passing and distance separating we still kept in touch, sharing updates on business, colleagues and family. My memories of Mike for his warmth, smile and laughter will remain with me for forever.

Deepest sympathies to Carol & family from Mike's British friends and colleagues.

Paul & family.
