“ Kathy,
Very sorry to hear that Mike has passed.
So glad we got to see you both at the powwow a few years back. It had been many years, a whole lifetime in fact.
Watching the video I realized that knowing you both back in the day was a special moment frozen in my time. Happy that two found a relationship that has been very generous to you both. You created a life filled with lots of happy moments, adventures, humor and a love that is evident. I hope those memories bring you and your family peace as the sun sets.

“ Even though its been 45+ years since you, Mike and I last spoke. I was sorry to hear of Mike’s passing. Mike always treated our conversations with alacrity and energy. I remember talking with him about is coursework in Altoona PSU if my memory is correct.

The video tribute ,for Mike, had several wedding pictures of you and Mike which is what is fixed in my memory. The picture of Mike playing the bass is one which did bring back memories to me.

Obviously in 45 years or so “a lot of living occurred”, which was obvious from the video tribute.

Godspeed to you, Kathy, and your entire family and please accept my condolences for you loss

*Kathy and Family,
My heart goes out to each one of you at this time. Of course, I have many memories of your Dear Michael from High School on. He was a good man with a wonderful sense of humor like no one else. Life is going to be very different now but you have so many memories to carry you through your sadness. You have enjoyed each other's company for many years.
