

Michael John Groff

March 30, 1982 - August 17, 2019

Michael John Groff, 37, of Spring City, passed away suddenly on Saturday August 17, 2019. Born in Phoenixville on March 30, 1982 he was the son of George and Marcia Groff.

Michael attended Lock Haven University and would later go on to start a career at Office Installation Services in 2005, he worked with his company for 14 years and worked his way to becoming the top employee as a site foreman. Michael was also an automotive enthusiast; he spent many hours building his own Ford racing small block motor for his beloved Thunderbird. In his spare time he enjoyed collecting vintage video games and consoles, he had a knack for construction, and there was never a renovation project that was too big. He enjoyed making renovations to his own home making it into the house of his dreams. But most of all, Michael loved spending time with his family, especially when it came to his loving nephews. He was a loving son, brother, uncle, and dear friend to all who had the pleasure of knowing him and he will be missed by many.

In addition to his loving parents, he is survived by his brother, Matthew (Stephanie) Groff; and his two loving nephews Ian & Jonathan Groff.

“ Mike and I only worked together a short time, nonetheless he was a pleasure to work with.

He had a mild mannered nature and shy smile that made him a joy to be around. He was also great at his work and always willing to help out.

He will be missed

“ Mike was a good dude! He came highly recommended to me for the large project back in 2017 . This is where we first met. This job was a challenge with allot of detail and difficult working conditions . It was far from home and required most of his valuable time . Needless to say we worked closely for almost a full year to bring this to completion. Looking back now I give that man much respect . Most others would not a bothered to go the distance . God bless you Mike RIP!
