“ Kathy and Jane, With great shock I found out that your dad/husband had passed away. We were away on vacation and mom went to the cemetery and realized who had died. I have so many fond memories with "Skip" from my childhood. One thing that sticks out so clearly is him shooting a groundhog and then opening it up and showing us kids the contents of its stomach. What a great man and I am sure you will miss him dearly. Deepest sympathies from me to you!

“ My deepest condolences and heartfelt sympathies in the loss of your dear husband and father. Jehovah God has promised us that if we turn to Him in prayer, He will strengthen and sustain us-Psalm 55:22. The Bible also says; "The righteous themselves will possess the earth, and they will reside forever upon it."-Psalm 37:29 proving that we will indeed be with our loved ones again right here on a restored paradise earth! I have found the scripture at John 5:28 & 29 to be most comforting to me. I hope you will find that to be true for you as well. May we do all that we can to be there to greet our loved ones upon their return. The Bible tells us how. I encourage you to investigate Jehovah God's true promises for us all.  
Respectfully submitted, Denise Brown [neiceybrown-mail@yahoo.com](mailto:neiceybrown-mail@yahoo.com)

“ I absolutely loved growing up in Kimberton during the '60s and '70s. It was truly a unique place, a real life "Mayberry" and Mike was one of the people who made Kimberton so special. As a kid, there wasn't a day when my best boyhood buddy, Dennis March and I weren't out fishing, hunting, playing ball at KYAL, running around in the meadows and corn fields or making the "rounds" in Kimberton itself. The day was never complete without stopping at Mike's shop to get some candy or just to see what was new with Mike. Mike was always so kind to us and always willing to talk to us about hunting, fishing, trapping, farming, or just things in general. Sometimes we would just sit in his shop eating our penny candy while listening to him and the other "old guys" talk about stuff..., it didn't matter what they talked about, we just liked being there and they didn't mind having a couple of 11 year olds around either. I loved the rural community that Kimberton once was and in many ways, Mike symbolizes that time in my life. Whenever I visit my mom, I drive home the long way through Kimberton just to reminisce. When my kids are with me, I always point different places of interest and tell them stories from my boyhood days. I always point out Mike's shop and always tell them about Mike and of the many things that made him so special. Growing up in Kimberton was truly a blessing and Mike was one of those special people who contributed to all that made it so special for me. I will remember him always.

“ This truly brought tears to my eyes. From my first haircut until Mike retired, I always looked forward to my visits. Because it WAS a visit, not just a haircut. From uptown Kimberton, Mike didn't just cut hair, he had candy and small toys for the young and a certain wit and wisdom for all. He had a giving heart and was always there for those who needed help. I really don't know how he found the time to do all that he did. God bless Mike Jukan!

“ We are sad to hear this news just as the Kimberton fair reminded us of those who made Kimberton a great place to live. We were so fortunate to grow up in a place like Andy Griffith's Mayberry with people gathering at Floyd's (Jukan's) barber shop. He brought joy to many with his baby lambs, pocket full of tootsie rolls, service to the community, and great personality. Kimberton will never be the same without him. Blessings to the family and all grieving this great loss, Dr Kathy Brewer-Smyth and Thomas M Smyth

“ Growing up in Kimberton, my friends and I spent many an hour in Mr. Jugan's barber shop. He always had the best penny candy for sale and was such a nice man. I also enjoyed his sheep sheering demonstrations so much. Rest in peace Mr. Jugan. You will be missed.

“ Jane and Kathy and Family, Your Husband and father were such a part of me growing up. Kathy your mother was my third grade teacher. Your dad came over and shearded sheep at school. He also cut my hair and my friends and I would stop to see him on our way to KYAL baseball. He always had penny candy and bubble gum to come outside to throw to us. He was the "Mayor of Kimberton" and will always be remembered. Know that our prayers go out to you and your family.
