“ Karen - I'm not sure if this will reach you or not. I hope it does. I was sick to see that Mike had passed. I had no idea. He was my boss at NovaStar and I remember you. I learned so much from him - he always supported me and believed in me. But more than anything, I remember his quiet demeanor and his steadfast kindness. I will miss him always and I wish God's speed to you and your family.  
Sincerely,  
Rachel Jones

“ Mike had a huge impact on my life in the short time he was in Evansville. He inspired me to stick with Compliance and Auditing as a career and I have done so for quite some time now. He was always there to push me into areas that were not easily understandable and allow me to figure them out. He was a great mentor. You'll be missed Mike!
