“ My condolences to Michael's family...Michael spoke kindly of his Sister and Nephews. I became good friends with Michael when he was on W-2. My Mother is also blind and I knew he needed a friend. Michael loved stuffing his pillows in the craftroom and loved his Diet Pepsi. He looked forward to me bringing him his cases of Diet Pepsi. I will miss his smiles and our talks. He not just a resident at Parkhouse he was my friend, I will never forget our friendship. We all loved him here at Parkhouse....Love Ya MIKE! ~Joe~
