“ My prayers are with the family. It is never enough time to have someone we love and cherish in our lives. Once they have left us the time passed seems so short of a period. Please take some comfront from the scriptures to realize that it is not God's purpose for us to live a short while and die. His purpose was for us to live forever on a Paradise earth. “ Lisa, Emily, and Sarah, I went to school with Mike from kindergarten through 12th grade. He was always the nicest, most down to earth person and always had a smile on his face. I am so very sorry for your loss. You are in my prayers.

“ My deepest sympathy to Mike's family and friends. I met Mike 15 years ago at what is now called Siemens Industry. He was a gentlemen and scholar. Almost 12 years ago, he took my son who was in high school under his wing at Siemens and became his work mentor. He will be sorely missed.

“ Lisa, Since we moved to DE we continued to have Mike as our financial advisor. We didn't get to talk often but he would always be there to help. What a sad thing for me when I saw that he had passed. May God watch over you and the girls and I do know he will sorely be missed! I remember once I gave him a ride (after his first surgery) to Applebees from the office to meet you and the girls for dinner. Debbie Foxx

“ To the family of Michael Ward: It is with the deepest sadness that I learn of Michael's death. I could not find a way to make it in time to the Funeral. I do not know the right words to say Most of Michael's Life and mine was spent many miles apart. So we only met a few times. But I know him to be a good man. Please accept my sincere condolences.
