“ My prayers are with the family. It is never enough time to have someone we love and cherish in our lives. Once they have left us the time passed seems so short of a period. Please take some comfort from the scriptures to realize that it is not God's purpose for us to live a short while and die. His purpose was for us to live forever on a Paradise earth. “ Mike, I always have thought about you and have always loved you buddy. I'm sorry your life was so hard, but now you are with your mom and dad and the ones that loved you. Be happy Mike and play your music for all to hear.

“ Remembering Michael - He enjoyed drawing, playing his guitar and cheering on the Miami Dolphins. Life was not easy for Michael as he endured a devastating illness, but he always tried to remain positive. At last his suffering is over and he will join his mother and father in heaven. Rest in Peace Michael.
