“ My condolences to the family, friends and loved ones of Michael J. Whaley. It seems as if our loved ones are with us for such a short period of time. We long for the promises that God's word the Bible makes, "the meek shall inherit the earth and reside forever upon it."- Psalm 37:29. May you find comfort at this time as you draw close to the "God of all comfort" who tells us that if we draw close to Him, He will draw close to us- Psalm 55:22. It is my hopes that these words may prove to encourage you at this time. Respectfully submitted,

“ To the Whaley family I am very sorry for your loss. Mike was my best friend when we lived down the street from each other in Norristown in 2005. We drifted apart for awhile, but reconnected about 3 weeks ago with plans to hang out soon and hopefully rekindle our friendship. My best memory of Mike was the time we drove down to Ocean City and spent the day on the beach just relaxing and swimming in the ocean, enjoying a day off from work back in '05. I fell asleep on the beach, when I woke up Mike was helping a kid dig a deep hole near the edge of the water. Mike was often able to make me laugh and help shake off a rough day at work with his energetic personality. My deepest sympathies and prayers go out to his family and friends. Mike I miss you buddy and I'll never forget the great times we had hanging out at my place in Norristown. God rest your soul. Brent

“ *Its such a shock, its hard to think someone is gone when you can still feel them in your heart. To go to call them and then realize they aren't there any more to answer. Tho they can no longer be there phycally, they are still alive and with you in your heart.*
