“ I can't express how much a loss this is I remember when Michelle move here and just becoming friends with one amazing person. My heart breaks for her family and Benne. She will truely be missed there are not many that I can say if it's been thirty year since that last time you've seen them and had a conversation like it was yesterday. She is and always will be a angel I will hold on to that last time I saw her and how nice it was to see her. I will always keep her in my heart.

“Michelle was a very loving person and was happy to have known her. I remember all the good times we had playing pool, dancing and singing with a nut like me, we didn't care if we couldn't sing or dance, we did it together and had fun at it because we weren't afraid of having fun. I loved it when she would ask me for decorating ideas on her home. We shared our little secrets. Then she blessed us all, both family's with a daughter. I was happy to have her as part of my family as well as hers. I will miss her. God rest her soul. Love Kathy Whaling
