“ Aunt Mimi has always been there for everyone in the family, including me. I just can't bring myself to say the normal condolences about "Your family is in my prayers and thoughts." For someone that has opened there home and hearts to so many of us in the family, I am forever grateful because she has been there for each and every single one of us no matter what. ~ Erin Cooper

“ To my loving family,

I sit here trying to write down my thoughts and prayers for you during this sorrowful time. We have so many loving and wonderful memories because of Aunt Mimi. She kept our family together and for this I will be forever thankful to her. I loved our Sunday evenings together. We would laugh and joke around and of course Aunt Mim would put the water on for tea. We would have a big spread of snacks and whatever Aunt Mim baked that day. Everyone loved her apea cake. Aunt Mimi will be greatly missed by my daughters and grandchildren. They loved her and they always wanted to come with me to visit Aunt Mimi.

I pray that God will keep each of you in his loving care and give you the strength you need during this difficult time. Aunt Mimi will always be in my heart and so will all of you.

*I Love You All,
Bonnie*

“ Dear Louise, Carol, Tonya, Tony and family~

My deepest sympathy to Mim's family. She was a great friend for many years and was always smiling. She was my boss at the Bull Tavern for 10 years. Once in a while I would try to get out of going to work using the excuse that my car was in the shop or it was snowing to hard to drive, she would always say "sit tight" I'll be there to pick you up". Couldn't get away with anything with her. I love you and I will miss you Mimi. Rest in Peace my friend.

“ *I worked for Mimi & Gaggy. It really wasn't work it was a learning experience that has stayed with me in every job that I have had----- but it was not a job ---it was a family----even though time and circumstances came between the years ---the respect has always stayed. Prayers and thoughts to Mimi's family.*

Mimi was my second Mom. As kids, my brother Larry and I traveled to Atlantic City with my mom, Millie (her best friend), and Tonya and Tony. Those were some amazing times, and we kids had a blast - except for the time Tony got a sunburn only a little redhead could get! Mimi and my mom shared a friendship from the early 60's until my own mom's passing in '06. Since that time, Mimi has been my steadfast friend and "mom", checking on me to make sure I'm doing okay. She and I both "talked" to Millie regularly, and Mimi was excited about being reunited with my mom up in Heaven. They are having such a good time right now and forever! We were all very blessed to have Mimi. My heart and prayers go out to all the kids, grandkids, greats, and adopteds.
