“ Always will remember how well she dressed. She and Uncle Jack always visited on Christmas Day. As a kid I thought Millie was a movie star. Will miss our Friday lunches her my mom, Alice. And our chats on the phone about bingo.

“ I was blessed to have this wonderful lady come into my life. I was playing bingo on line and I happen to get on where Millie and a group of ladies were playing. She happen to be from the state were i am from PA. Only thing I was a pittsburgh fan and she was a Phillies fan. LOL. Our friendship grew and my family grew to love her. We all went down to celebrate her birthday. One year another great friend from bingo from S.C.(Cindy and Donnie came with Millie for all of us to be together . What a wonderful time. Another birthday time for Millie my husband Gregg and I went to Millie's and took her to one of her favorite eating place Guess - yep - Red Lobster . We came and visit when she wasn't doing so well. She still have a big smile for us. I thank God every day for bringing her into our lives. We will miss her but never forget her. Till me meet again Love Ya Millie

“ Happy Birthday Millie very sorry you wont be here for it but that is O.K. because I know you are celebrating with your beloved Jack today free from pain and suffering. We only met a couple of years ago in of all places Pogo playing bingo LOL. I am so grateful for the relationship and love we shared through chat and phone calls. Advice you gave me when I was upset about the G person who was causing problems. I only hope that the I was of some help to you. I wish the last couple of weeks I could have talked to you again but understand now why you didn't answer. But both Lisa & Cindy kept me up to date on how you were which I was so grateful for. You will truly missed from our little Bingo group but you will never be forgotten by any of us and always love by all of us. Luv You Millie !!

To family and friends I am so sorry for the loss of this beautiful Lady who talked about you often to us. Find comfort in knowing she is in a better place and free from all pain. Lean on your memories in the hard times and know how much she loved all of you.

Marlene (tobme).....Luv Ya Millie
