“ Sorry to hear of your loss. I am so grateful to have met Mildred at Sanatoga Center. I was her physical therapist assistant whom had the great opportunity to work with her. She was a wonderful person and determined to get well enough to return to the court. I missed her since the day she left. I know one thing she was the happiest person when she was told she could go back. I really enjoyed the photos and video! Also I was a classmate of Linda Weber at Springford High School.
