“ Carla, Daryl & Darwin--Thoughts and prayers to each of you and your children during this most difficult time. Some of my favorite memories are of spending time at your parents house. I can remember family gatherings in the backyard where they cooked on the outside grill, the summer I stayed there for a week, & picking strawberries in the garden and various other vegetables with Aunt Miriam.....there are just too many memories to write them all down. Both of your parents influenced my life and helped mold me into the person I've become. As I told all of you, the lilac bush your mom gave me a cutting of lives in my yard here in TN and will always be my reminder of her!
Love your cousin,
Donna Schafer
