“ With the greatest sorrow we send this condolence. Mother lived to a most beautiful age. With great strength she toughed it out when dad passed away. I caddied for mom at Phoenixville Country Club. I also caddied for her a few summers when they would play in all different golf courses. She was one solid woman golfer. Mom was also one tough teacher. She substituted one day and they took her stapler off her desk. That was the last time a student ever did that! May the Almighty give you all the strength and courage to accept His will. “ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all.
