“ Dear Mr. Grater, You probably don't remember me. But you knew me as Kathy Della Vecchia. Sherri called me to tell me about Mrs. Grater's passing. I'm very sorry to hear about it. I was also very sorry to find out recently about Greg. My fondest memories are being down in your basement hanging out and doing Mrs. Grater's hair while listening to Barry Manilow and of course all the lovely vegetable garden items you grew in your backyard. She was a lovely woman and I will remember her fondly.
