“ *Melissa and Robby, I am so saddened and sorry to learn of Nancy's passing. My sympathy goes out to you both. Nancy and I were roommates at Marshall but lost contact after a while. I think the last time we saw each other was when I visited her in Conn. in the 70's. Wish I had started this search earlier. I have some old college pictures if you are interested.*

“ *Rest in peace my friend. Although I lost track of her after graduation, I have thought of her over the years. I still remember a project we worked on together for school where we had to do a report on Abraham Lincoln. We spent hours compiling our information and building a log cabin out of Lincoln logs. My sympathies to the family.*

“ *She was not only Aunt Nancy but one of my best friends. We could talk for hours and I do mean hours on the phone about anything you might imagine. I miss her so much and would love to tell her one more time how much she meant to me. I will love you always and remember you forever. Those memories I will always cherish.*

*Love you,
Brad*
