“ Neil was a friendly face I got to see daily, when we worked together. Upbeat, friendly and always kind. I haven't seen him in many years, but remember how he cracked me up when we chatted. You always think they'll be time to reconnect. Prayers and love to his family from mine.

“ *My brother had the biggest heart. Anyone who met him became friends with him instantly. I referred to him as my big, little brother because he always made sure I was safe as well as my other brothers. He loved his children so very much and was a great father. He was also a great son; loving my Mom and Dad with his gigantic heart. He was the goofy uncle who my children and my brother's children loved so much. I will miss my big, little brother more than words can express. I love you Neil "Bucky" Weiler. Say hi to dad for me.*
