“ *I want to share my fond memories of Nick with his loving family. I was one of many who enjoyed working with him at Scott Paper. He and I worked side by side, filled with mutual respect for family, sports, travel and Italian food.*

He was always so proud of his children and grandchildren, telling me about them frequently. I was fortunate to meet his family and enjoy many business trips together, enjoying his great company, talents and companionship. Just a warm, wonderful friend, I will never forget. God bless him.

May he rest in peace and be forever in our hearts.

“ *I was very sorry to learn of Nick's passing. I worked with Nick for a number of years at Scott and have many fun and funny memories of him. One that stands out was when we all got voice mail for the first time and Nick put a message on his answering machine that is still the best I ever heard. However, the message was not very "corporate" and he soon was asked to remove it. But it was very, very funny. Again, I am saddened.*
