“ Please forgive the lateness of this heartfelt tribute to a warm, wonderful woman who we were so fortunate to have come into our lives. We've been regulars on Monday nights at Iron Hill in North Wales for many, many years and she was a big reason we returned so often. She was so kind and always so upbeat. She loved, loved her family with all her being. We just learned of her passing today and our love and prayers go out to her loved ones and many, many friends. God bless you all.

“ Sending loving thoughts, prayers and hugs to Jimmy, Nick, Jake and Maya. Nicole was a beautiful woman - she touched the lives of everyone she met. I enjoyed so many laughs each time I was with her .. social events, on the bench at a baseball game, in the halls of EP or at a LuLa event! I was blessed to have known her. And from my 10 year old son, "She always supported all of us on the field! You could always hear her cheering!" She is missed.

“ Nicole and I had not seen each other in over 20 years. Last month we happened to be in Myrtle Beach the same week so we arranged to get together. We spent a lovely two hours catching up, and I had the chance to meet Jimmy and their three wonderful children. If I had known it would be the last time I would have seen her I would have hugged her longer & tighter. Nicole U will be missed by so many. We are all blessed to have been able to call you our friend. ❤️

*No matter where you were, whenever Nicole was present there was an energy level like no other. She was very dedicated to family and truly understood the importance of spending time together. I can remember her coming to Kirkwood Farm with her Dad and Mom in Newtown Square when we had our many family gatherings at the Gilpin's! May God bless you Nicole and to Nicole's family the ability to reflect upon the many memories that you hold near and dear to your hearts. So sorry for your loss, thoughts and prayers coming your way from Bloomsburg,PA*
