“ Noel's heart was always overflowing with joy and compassion. Her spirit and laughter i will never forget, but will always remain in my heart. The very best second mother a boy could have.

“ Upon watching and hearing the video my condolence seems redundant, but it was always about the music, it's what brought and kept us all together....."it's a simple sort of life, just spending time and drinking wine, round someones side, with a fire softly burning, music keeps turning inside my mind.....inside my mind....." “ Such sad news this is. I met Noel in high school through Beth DeLone Fuhr and Lynne Mueller Cugini. She was a fun loving (and funny) person. I will keep that image of her when I ask God's blessings on her family. Sincerely, Jinx Hickey Heaton

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all. “ To Noel's Family, I am very sorry for your loss, We must remember God did not promise days without pain, laughter without sorrow, nor sun without rain. But he did promise strength for the day, comfort for the tears, and light for the way. With these words, I pray you all find the strength to get thru this. Fondly, Reggie
