“ Jean was much more than a neighbor and friend. She was like family. Without her love and support ... from not only Jean but the entire Wise family I would not have gotten through some pretty rough times. We used to be called "Jan and Jean" at Charlestown .. we loved to sing duets for services! I am so blessed to have this beloved friend and nearly sister and treasured our times together when she lived next door, lived in Tennessee .. yes, went to visit her there as well .. and especially when she came back here and I could take Pedro to visit her. God bless you, beloved Jean. You blessed us all immeasurably.

John and I visited Aunt Jean in Tn in spring of 2014. She took us on a tour of the Smokies, we enjoyed shopping and dinners out with her and Aunt Dolly. I have many fond memories of family reunions with Aunt Jean and all her family. Blessings to all her family. Chris Wise
