“ I am very thankful for the life & legacy of both Norma & Quinn Pugh. Together they touched so many lives. Their many years of service in a variety of roles place them in an unofficial hall of fame for BCNY. The churches of the Baptist Convention of New York join me in praying for you at this time.

“ Both Quinn and Norma were dear friends in NY back in the early 90's. She was a wonderful person with a great gift of hospitality. We even have a gift displayed in our home from the two of them. Praise God for her life.

“ God blessed me with Norma's friendship in the early sixties, an enduring friendship. We prayed together, cried together, served the Lord Jesus together and enjoyed fellowship over tea or a fruit plate whenever God was able to arrange it fo us. She will be greatly missed, especially by me.
