“ Nana,
If anybody asked me what the strongest element was I'd say it was you,
I love you with all my heart and I know you love me too.
This isn't goodbye because I'll see you again someday,
But right now honestly my day is feeling very grim and gray.
I know I have to be strong and all of us are trying to,
Just waiting for that day when it comes when again we all get to see you.
It brings me comfort knowing one day I'll see you again,
That beautiful place that we all call Heaven.
