“ Pat was a special lady. We went thru 5 hurricanes together in Florida. One we shared a Wonder Bread warehouse with her, Ken, friends, birds, dogs and cats. We both loved the pool and the ocean. She was a great cook, friends and I tried to convince her to sell her cheesecakes. We followed her on Facebook when she made her trips to and from Pa.. The last couple of times she drove alone. Even tho we met in Florida, we always kept in touch, phone or e-mail and solved the world's and family problems. She even drove school buses in Pa. thru the winding roads. To you, Pat, and your family, you are in my prayers. From Helen Jones in Indiana.

“ *Our deepest sympathies to the family and friends of Pat Fidler. Pat was family to us and we love her dearly. Though we didn't live close, we loved spending time with her each year when she came to visit us here in Mass. We will miss her tremendously. She is now reunited with the love of her life, Ken. Oh what a joy that must have been for her as she missed him dearly. Our love and prayers are with her family.*

“ Pat and I attended St. Genevieve’s and the Mount together. She was always kind and fun. I especially enjoyed going to the Ryan summer house along the river. So much fun swimming and playing. Good old fashioned pre-electronic media fun. I feel especially sad since we just reconnected on FaceBook last winter. She really missed Ken, so it is a comfort knowing they are reunited.

“ I am so very, very sorry to hear of Pat's passing. We were in the same class at the Mount and I always liked her. It was really great to re-connect on Facebook after so many years and we really enjoyed "chatting" often and sharing opinions and yes, gossip. She was always fun. May God hold her in the palm of his hands always and may wonderful memories of Pat comfort us all.
