“ *Laura and Barb, we are praying for you. I always loved your mom's laugh. There was no way not to laugh if she was! You were both so good to her. We will pray for comfort for you both as you go through this time of grief. She will always be with you. There will be so many things that make you think of her, and those moments will be bittersweet. They will hurt because she is gone, but be sweet because you shared those moments with her. Love to you both.*

“ *Growing up I always looked forward to visiting your family. She always looked at me like I was trying to get away with something (and I usually was), but it was always in fun and love. But the thing I always thought of when her name was spoke was that terrific smile and laugh, that is how I will always remember her.*

Barb and Laura, Sandy and I are thinking about you and praying for you.
