“ Patty was a true friend .She loved unconditionally and always had time to listen and laugh. Patty loved life. She liked simple things a drive down the shore,a cold beer, hanging out wth friends and always a good party.Patty most especially loved her family and her Bob. I always remember having fun with Patty and her sidekick Mary Ann at their Sea Isle houses and often spending the end of the night looking for Patty's misplaced pocketbook. Patty you gave it a good fight enjoy your well deserved reward in heaven. I will miss you my friend and always love you.

“ I met Patti about 5 years ago in the Cancer Center where I was volunteering. It was a changing day in my life. Patti and I became soul mates. We had so much fun. She came into the center every Thursday and never complained no matter what she was going thru. She became my model and we became fast friends. She was a gift from God to me to show me what courage. I met her wonderful family and could feel the love they had for one another. I am truly blessed to have know her. We now have another angel in heaven and she will always be in my heart. God Bless you Patti. Love, Carol

“ *Patti, you have been my faithful friend always and I will miss you. I will always remember the laughter we shared, starting in Latin class at Ryan , learning about amo and vino. We had such fun times at the proms, the shore, and everywhere we went. You are with God now, and please put in a good word for me. Amo, amica, Donna*

“ *Patty and I had alot of great times growing up in Normandy. Unfortunately we lost touch when we got married. I reconnected with Patty on Facebook. I am encouraged by her strength throughout her illness. It's sad that she was taken from us at such a young age, she'll be reunited with her parents in Heaven. My thoughts and prayers are with her brother, sister and their families.*

“Patty and I met in our cribs literally, we were best friends thru our childhood years, experiencing all our "firsts" in life together... first tutu's for dance class, first sewing project, first high school dances, and first boyfriends. She was my oldest friend in life, my maid-of honor when I married, and a dear friend to me always. She loved being creative with Halloween costumes, loved to laugh, and had funny stories. She was positive throughout her illness, she fought a brave fight, but she is home now at rest with Jack and Clare, and my dad who she always called and asked about as they battled together. May she rest in peace, and keeping all of the family at this difficult time in our prayers, Sue Knorr, Ruth Knorr and Alan Knorr. Rest in Peace Pat.

“Patty always had a way of making everyone around her feel good. She was always such a positive and upbeat person. I have always admired her , especially through these last years how she fought and stayed so strong. She is with Jack and Claire now, without pain and in Heaven. Although she will be missed, that is the one thing that is comforting. Rest in peace my friend. Xoxo

“ *I met Patty when she was a patient at BMRH. She was always so positive and constantly smiling. During her hospital stays, whenever I stopped to visit with her, she never complained and was one of the sweetest, nicest and most caring people I've had the pleasure of knowing. My heart goes out to all of you at this sad time.*
