“ *Sherry and family, I am so sorry to hear of the Death of Paul. Paul and I both worked at the Y, every time when he was scheduled on you knew he was there before you saw him. The smell of the grease from his fast food would always smell out the lobby. I would say something about it and he would just laugh. He did have a great sense of humor, was kind, caring and helpful. I have many great memories of him. Paul may you rest in peace*
