“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all. “ Please accept my deepest sympathies to the Griggs family during this time of deep sorrow. Paul and I were friends and classmates from elementary school through high school. We both played clarinet in the Upper Darby HS band .After high school Paul went to Dickinson College and I went to Muhlenberg College, a sports rival. I have fond memories of Paul.

“ Judy and I would like to express our sympathy to the family in this time of sudden sorrow. Paul treated me better than I deserved, and added spice to an industry that needed it. He was a very intelligent man that was never satisfied with the status quo. Our thoughts and prayers are with the family during this time.

“ *My deepest sympathy to his family and close friends. Having known and worked with Paul for almost 25 years, I know his loss will be significant to all those who knew him. On a personal level, I will miss his sage advice and sardonic sense of humor. Paul: May you rest in peace.*
