“ Aunt Pearl, I have many happy memories of you and the many things you have done with and for your family. I remember the gatherings at your home for the Mummer's Parade, Christmas and other family parties. I remember the Family reunions you put so much hard work and effort into. I was blessed and honored that you had my baby shower for Brandon in your home and all the decorations you handmade for it. I truly enjoyed spending time with you and I love you. May you rest in peace and find comfort knowing that your loved ones here love you and will miss you dearly. We know you are with family and loved ones in Heaven and that brings us comfort in knowing that one day we will meet again. God Bless.

“ Aunt Pearl - You are missed and loved by so many. Thank you for giving me (& all of the Fetterman cousins) so many amazing memories from my childhood. From the rare but special after school occasions that you would watch Camron and I with a John and David, to the holiday arts and crafts, to the Dogwood Parade gatherings and Christmas karaoke. And we will never forget you ringing in the Christmas season after reading A Cup of Christmas Tea.

“ Aunt Pearl was the matriarch of the family and will be greatly
missed. She was like a second mother to a lot of us and when there
was a family event she was right there to help. I am sure she is in
her glory surrounded by all her family and friends. Rest In Peace.

Pearl, you were well loved and will always be remembered for all the things that you did for us. Whenever there is a Dogwood parade, we will remember the get together that we shared at your house after the parade—for the tradition of reading “The Christmas Cup of Tea” at the Thanksgiving dessert get together, when you would always say “The Christmas season has now begun”, once the book was read—for you getting us all together to form a family reunion—for you putting together the family cookbook, mine was well used and still is—and for so many other things that you have done for our family. You left me to be the oldest sibling now and I don’t know if I will be able to answer the questions about local or family history like you did. YES, you surely will be missed by your sister Ginny. Love you forever and ever.
