“ Buddy and Jimmy -- I am just learning of Aunt Phyllis's passing. Please accept my sincere condolences. I have countless wonderful memories of spending time with your mom/family. Your mom was one of the sweetest, kindest, generous women I have known in my lifetime. Getting to help her at the Hospital Snack Bar, visiting with her and swimming at your home were some of my favorite times together with her. Also spending time with her at Grandmom and Grandpop Flasher's home next to our home. They were truly the "good ole' days!" May she Rest in Peace.....

“ I met Phyllis (Mom Mom) when Beth brought her and we walked together with our family and friends at the Alzheimer's Walk in Philadelphia. My husband also had Alzheimer's. Phyllis was such a sweet lady. She enjoyed herself on those walks & we had lovely chats.

Fondly,

Mom-Mom Henzie was a kind and gentle woman, and I'm glad to have had her in my life. I'll always remember her laugh, especially in the later years at Halloween! I am glad to know that she is Home now with Pop, Healed and happy again. My prayers are for Jimmy, Sandi, Sean, Maygan, Lauren and the rest of the family, and my hope is that their memories of all the good times will see them through the sadness. with love, Sheri (Okladek) Bailey
